To Whom This May Concern

This is to testify that our relationship with Torrey Hills Technology can be characterized as friendly, professional and profitable. The products provided to Polyfet RF Devices consistently met our quality standards. Communication between our companies was open and professional and issues were dealt with on a timely manner. Their prices are so competitive that they helped us reduce manufacturing cost dramatically. Delivery is usually faster than comparable manufacturers and is always on time. We consider Torrey Hills Technology a highly recommended business partner.

Sincerely yours,
